## 1. BACKGROUND

The European Agency for the Management of Operational Cooperation at the External Borders of the Member States of the European Union (Frontex), has been established under Council Regulation (EC) No 2007/2004<sup>2</sup>, hereinafter, the Regulation.

Frontex is located in Warsaw, Poland and its main tasks are the following:

- Coordinate operational cooperation between Member States in the field of management of external borders;
- Assist Member States in the training of national border guards, including the establishment of common training standards;
- Carry out risk analyses;
- Follow up the development of research relevant for the control and surveillance of external borders;
- Assist Member States in circumstances requiring increased technical and operational assistance at external borders;
- Provide Member States with the necessary support in organizing joint return operations.

For more information, please refer to our website: <http://www.frontex.europa.eu>.

<sup>1</sup> Date of publication is 19 November 2015.

<sup>2</sup> Council Regulation (EC) No 2007/2004 of 26 October 2004 as last amended.

## 2. THE FRONTEX SITUATION CENTRE

The Frontex Situation Centre (FSC) is the Unit responsible for situation monitoring and information management within the Frontex Operations Division. FSC seeks to provide - to Frontex, its clients and partners - a constantly updated picture, as near to real-time as possible, of the irregular migration situation at the external borders of the EU with a view to facilitate the management of the reaction capability of coordinated operational activities.

The Unit comprises two main business areas: Operations (situation monitoring, information exchange and system services), and EUROSUR Service Integration and Implementation (design, development, implementation and delivery of diverse services using Geographic Information System and other technologies).

The main values fostered by FSC that reflect its organizational culture and priorities are the following:

- Quality, integrity, trustworthiness and security in information management;
- Service orientation;
- Speed and flexibility;
- Dedication;
- The smart use of the available technology.

### EUROSUR Service Integration and Implementation in the FSC

FSC is tasked to actively participate in development, establishment, delivery and maintenance of different services and components including EUROSUR related services. This aim is achieved by applying the so-called Fusion Services concept. This means that a number of information exchange services and data sources (from external: EMSA, EUSC, commercial providers, and internal Frontex systems) are bundled together into customized and integrated services. These customised services are delivered to Member States/Schengen Associated Countries and other partners via different communication channels including EUROSUR Network.

The technical capabilities of Frontex Core GIS (Geographic Information System) and Frontex Fusion Services capacity form the technology basis for this delivery.

Under the supervision of the FSC Coordinator of the EUROSUR Service Integration and Implementation business area, the successful candidate will support development, implementation and day-to-day delivery of operational (Service Management), GIS-based services, customized to the needs of stakeholders.

The jobholder will have a central role in the implementation and delivery of the Frontex Fusion Services, which, in a nutshell, can be described as delivering dedicated, custom-made services to the Frontex customers, primarily Member States but also other European institutions. Those services will be designed using data and information provided by internal and external service suppliers and in different formats and protocols.

## 3. DUTIES AND RESPONSIBILITIES LINKED TO THE POST

Under the supervision of the Head of Frontex Situation Centre the Service Implementation Team Leader will perform the following tasks:

### Primary tasks

- a) To manage full 'Project Management Life Cycle', including implementation and solutions training organization;
- b) To coordinate a team of Service Managers, responsible for implementation of Fusion Services in Member States and in cooperation with other Agencies;
- c) Development and maintenance of processes, policies and procedures;
- d) Cooperation with external and internal partners (including IT suppliers) in order to develop, implement and maintain system solutions;

- e) To contribute to internal and external projects and working groups, incl. high level (European) meetings.

#### Secondary tasks

- f) To perform any other task in the area of competence.
